

## Pepperoni and Cheese Stromboli

### Ingredients:

1 lb. or olive oil or canola oil artisan dough

½ cup tomato, pizza or pasta sauce (sprinkle 1 tsp. Italian seasoning and ½ tsp. garlic powder if using tomato sauce)

½ -¾ cup cheddar cheese

Pepperoni slices

½ -¾ cup mozzarella cheese

### Directions:

Preheat oven to 350. Dust an unrimmed cookie sheet or baking stone with cornmeal. Roll out a pound of artisan dough in a 9x12 rectangle (irregular is fine). Just aim for the rectangle. Pour sauce down the middle center. Sprinkle with cheddar cheese, layer with pepperoni slices and sprinkle with mozzarella cheese. Cut one inch strips on both sides of the dough. Crisscross the strips alternating on each side. Bake 30 to 35 minutes or until golden brown. You may have to add additional time if you add more toppings inside your yummy Stromboli.
